4. Idaho Avenue [Caleb/Nick]/Ashley]

Discussed the MDBA request to the Meridian City Council (MCC) for the financial partnership for the restriping of Idaho Avenue from parallel to angled on the north side of the street. This would gain an additional 6-8 parking spaces. MCC had concerns regarding the design costs and who should take ownership of the project. They tabled the project asking for additional bids. The presented design cost is \$5k and the proposed breakdown is as follows: MDBA - \$1k, MDC - \$2k, and MCC \$2k. A request will go forward to MDC on June 27th and will come back to the MCC on July 10th.

5. CDBG Sidewalk Update [Ashley]

Ashley stated that no bids were received for the downtown sidewalk project. MDC will once again go out to bids in August hoping for viable bidders and if not, will rebid the project in the late winter.
