September 16, 2015 at 4pm
Meridian City Hall, City Council Conference Room**

Attendees: Ashley Squyres, Dan Basalone, Keith Bird, Caleb Hood, Margaret Havey, David Ballard, Tammy de Weerd, Justin Lucas, Brian McClure and Eric Jensen

1. Pine Avenue Update [ACHD]

Justin stated that there is nothing new to report on the project. Caleb stated that the City plans to have 30% plans to ACHD by November 11.

2. Idaho Avenue Update [Caleb/Brian]

Brian is working on concepts for review with ACHD, MDC and the DBA. MDBA is discussing the project with those businesses on Idaho Avenue. There needs to be a better understanding of how the businesses will use and there should be some level of partnership with the business from a financial standpoint.

3. VRT Update [Kelli/Margaret]

As of September 27, the Saturday Fun Bus will cease operations. VRT will look at whether a seasonal route [summer] makes more sense or if the route should be retooled to go into neighborhoods.

4. Bike Map Master Plan Update [Kelli/Margaret]

Margaret reported she has not had time to work on this. Ashley requested that she speak with Kelli as to potential timing as this has been an outstanding project for several months.
