**DOWNTOWN PARKING, TRANSPORTATION AND STREETScape
SUBCOMMITTEE MEETING MINUTES
October 21, 2015 at 4pm
Meridian City Hall, City Council Conference Room**

Attendees: Ashley Squyres, Keith Bird, Dan Basalone, Brian McClure, Justin Lucas, Caleb Hood, David Ballard and Marty Schindler

1. Pine Avenue and Other ACHD Updates [ACHD]

Justin Lucas provided the update for ACHD. Pine Avenue is still on track and ACHD has received all of the needed information from the City of Meridian Public Works Department. Justin will inquire about the West First Street agreement needed with ACHD and report back to MDC.

2. Idaho Avenue Update [Caleb/Brian]

Caleb and Brian summarized the meetings that have occurred in the past month with ACHD/MDC and with the DBA leadership. Option #1 cross-section is the desired concept. Caleb and Marty will be presenting to the Idaho Avenue business owners on Saturday morning and will also present at the DBA meeting on Friday. The goal is to do no harm to the current number of parking spaces and to incorporate the concept in the spring of 2016.

3. VRT Update [Kelli/Margaret]

VRT did not attend the meeting.

4. Bike Map Master Plan Update [Kelli/Margaret]

VRT did not attend the meeting.

5. Main Street Striping Issue [Caleb/Brian]

There is a concern regarding the location of the parking spaces on the east side of Main Street on either side of the alleyway mid-block. MDC will look at restriping the spaces to give a more adequate turn radius for large vehicles turning north onto Main Street.
